Subject: Application for the Junior Cybersecurity Analyst Position

Dear Hiring Manager,

I am writing to apply for the Junior Cybersecurity Analyst position at TechNova Solutions Pvt. Ltd.. I am interested in building a career in cybersecurity and contributing to the protection of the organization's systems, networks, and information.

Through my studies and practical learning, I have been developing a foundation in computer networking, IP addressing, subnetting, VLANs, routing, and common network protocols. I have also practised network configurations in Cisco Packet Tracer and am learning how to analyze network traffic and recognize potential security concerns. These activities have strengthened my attention to detail, troubleshooting approach, and willingness to learn.

I understand that an entry-level cybersecurity role requires continuous learning, careful documentation, teamwork, and responsible handling of information. I am prepared to improve my technical skills, follow security procedures, and learn from experienced team members. I would welcome the opportunity to support your security operations while developing my practical experience.

Thank you for considering my application. I would appreciate the opportunity to discuss how my current knowledge, motivation, and commitment to learning could contribute to TechNova Solutions Pvt. Ltd.. I look forward to hearing from you.

Yours sincerely,

Om Rathod

Subject: Thank You for the Interview – Junior Cybersecurity Analyst

Dear Ms. Priya Mehta,

Thank you for taking the time to speak with me on 16 October 2026 about the Junior Cybersecurity Analyst position at TechNova Solutions Pvt. Ltd.. I appreciated the opportunity to learn more about the team, the responsibilities of the role, and the organization's approach to cybersecurity.

Our conversation increased my interest in the position. I am especially enthusiastic about applying my networking fundamentals, problem-solving skills, and commitment to continuous learning while gaining practical experience in security monitoring, incident analysis, and protecting organizational systems.

Please let me know if you need any additional information or documents from me. I would be grateful for an update regarding the next steps in the selection process when convenient.

Thank you again for your time and consideration. I look forward to the possibility of joining TechNova Solutions Pvt. Ltd.

Yours sincerely,

Aarav Sharma
